

Professional Counseling Associates

Professional Counseling Associates (PCA) is a non-profit Mental Health Community Services provider whose goal is to put our clients' needs first and provide the highest standard of service in everything we do. We offer competitive salaries and pay 100% of employee's health and dental benefits, long term disability, and life insurance. Additional benefits are available at the employee's expense, including short term disability, vision, health savings accounts, and various critical illness options. We also offer a 401k. PCA is proud to be an Affirmative Action and Equal Employment Opportunity workplace. To apply for an open position, please visit our Web site at www.pca-ar.org and submit via e-mail an application, resume and cover letter to: Trudy Crain, HR Director at trudy.crain@pca-ar.org.
