

Thriveworks is seeking a LPC, LCSW, or LMFT to join our growing team at either of our two facilities in Conway and Maumelle. We have both full and part time positions.

Thriveworks Counseling is unlike any other therapy practice in central Arkansas. We believe that anyone can benefit from counseling and coaching. Many of our clients are successful individuals and couples who know, as we do, that everyone has the potential to grow—to Thrive. At Thriveworks, we believe that counseling is not just for those who are hurting. It is for anyone who recognizes a need. Please review the qualifications below and apply.

Qualifications:

Current Arkansas license

Experience helping individuals and couples

A positive approach to client care

The ability to work day/early evening hours

Additional experience treating children and adolescents is a plus.
